REMARKS

This application was originally filed on 15 September 2003 with one claim, which was written in independent form. Claim 13 was canceled, and Claims 14-25 added by amendment on 3 April 2006. No claims have been allowed.

Claims 14 and 22 have been amended as suggested by the Examiner in a non-narrowing manner to correct informalities.

In view of the amendments and the remarks presented herewith, it is believed that the claims currently in the application accord with the requirements of 35 U.S.C. § 112 and are allowable over the prior art of record. Therefore, it is urged that the pending claims are in condition for allowance. Reconsideration of the present application is respectfully requested.

Respectfully submitted,

Charles A. Brill
